

AutoClean[®]

A Component of the TC[®] Touch-Free Restroom[™]

Touch-Free Restroom

TECHNICAL CONCEPTS

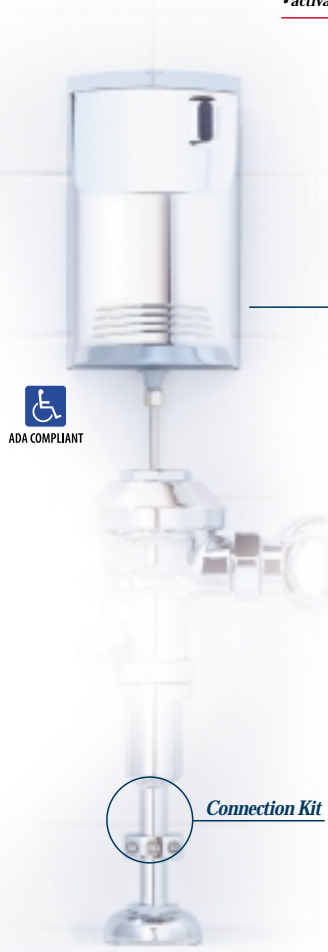

Why Technical Concepts' **AutoClean® System?**

- **Delivering Cost-Effective Customer Delight...** ensures traps and bowls are always clean (odorless and stainless), programmable dispensing with consistent metered dosage-- **win-win solution.**
- **World-Class Reliability...** sophisticated technology prevents build up of calcium on pipes and scaling, provides round-the-clock drain maintenance which eliminates "routing out of traps"-- **trouble-free operation.**
- **Ease of Installation...** simple installation with no water shut off, easy drill-thru chrome connection kit-- **customer convenience maximized.**
- **User-Friendly Performance...** dependable activation and effective Purinel concentrate provide round-the-clock cleaning and deodorizing, eliminating breeding ground of bacteria, promoting health and wellness-- **ensures patron satisfaction.**

The **AutoClean®** is just one component of the TC® Touch-Free Restroom™. For maximum cost-effectiveness and ultimate customer delight, use the entire TC® automated hygiene system bundle.

Only TC® provides the complete Touch-Free Restroom™ experience, which helps prevent the spreading of germs and creates a barrier to cross-contamination!
